Overview of Allandale Primary School

Allandale Primary School opened its portals on 22 July 1986. It has been in existence for the past 40 years and continues to be a school in which the learners, educators and members of the School Governing Body strive relentlessly for improvement in all areas, never wishing to sink into a spirit of complacency. The learners are encouraged to have a positive, spirited approach to life with a passion for learning and determination to be the best. The past 40 years have been characterized by a concerted effort on the part of the school to promote the welfare and progress of the school community in many spheres of socio-economic and community life.

We are a well-integrated, harmonious institution which produces high quality education. Our aim is to increase our output of quality teaching and learning, increase our output of quality research and address community needs through outreach projects. Allandale Primary School provides the inspiration, encouragement and support required by our learners to persevere, to give of their best, to be tolerant towards others and to become worthy members of society. The school will continue to act as a channel to transmit to them skills, techniques, knowledge and wisdom in order to equip them adequately to function in this changing world.

The future that faces all South Africans is challenging and exciting. It is our belief that Allandale Primary School will draw on its proud traditions to meet these challenges and to equip all those associated with the school with the desired insights, skills and attitudes. The school can only go from strength to strength in the fulfillment of its aspirations and progressive programmes, and more particularly, in the maintenance of the high principles that it is known to espouse.

The school places great emphasis on the necessity for young learners to participate in sports for fun, enjoyment and sportsmanship. As a consequence, the school has endeavored to take part in all codes of sports offered by our controlling sport's body for primary school sports in the region. We believe that sport is the universal line of communication linking young children with one another. It speaks to them in terms which transcends the boundaries of any one group. The times in which we live calls for the strengthening of every bond of unity while we respect our differences. Sport is but another expression of the eternal effort of children to enrich themselves and their world. The school has embarked on a medium to long term project to convert the present assembly area into a multi-facet community sports center.

Allandale Primary School has always focused on the holistic development of its learners. As a school we envisage, with the community, to:

- ✓ Build two additional classrooms as all the specialist rooms and the library are being utilized as classrooms;
- ✓ Upgrade the Library Resource Centre;
- ✓ Build a guard house and Erect a multi-faceted sports facility.

We are indeed proud of all our present learners who are rising to pursue excellence in all they do and we know that they will take up their rightful place in society one day and they will make this world a better place for all.

Thank you to all our past learners who fly the Allandale Primary flag with pride. Thank you for being our true ambassadors wherever you are. We remember your contributions and achievements with pride. We will always endeavor to strengthen and uplift the quality of teaching and learning at our school. May happiness, good health and good fortune be yours always.

As the "School of Choice", the Allandale Family will grow from strength to strength and continue to forge strong partnerships with our parents, ex-students and the community who have played a leading role in our success.

Allandale Primary School Logo

Sun

- Symbol of eternity and light;
- Symbol of many religions
- Emphasises the triumph of light over darkness, inspiring learners to face present and future challenges.

School Moto

- "Victoria per Laborem"- Victory through Labour;
- Complimenting the symbols, learners are prompted and guided towards ultimate success;
  Success can only be achieved through conscientious and diligent work.

Wings & Star

- Symbol of great heights stimulating learners to soar to great heights of knowledge

Wreath

- Symbol of reward
- After diligent and conscientious work, one is justly rewarded, motivating learners to accomplish their goals and justly earn their reward.

School Logo Colours

BLUE

GOLD

WHITE

Our Vision & Mission Statement

Our Vision

Through dedication and commitment, we aim to provide an excellent education, which will enable our children to develop holistically in keeping with our motto “Victoria Per Laborem”.

Our Mission Statement

We are committed to:

- Developing a set of values consistent with those upheld in the Bill of Rights as contained in the Constitution of South Africa.
- Providing an enlightened and balanced form of child-centred education irrespective of race, colour and creed.
- Recognising and developing the unique/potential environment conducive to learning.
- Creating a safe, warm, secure and disciplined environment conducive to learning.
- Maintaining the highest professional balance in academics, cultural and sporting activities.
- Respecting all cultures and working in partnership with community based on mutual trust and respect.

Principal's Message

Allandale Primary School has been in existence for the past 40 years and it continues to be a school in which the learners, educators and members of the School Governing Body strive relentlessly for improvement in all areas, never wishing to sink into a spirit of complacency. The learners are encouraged to have a positive, spirited approach to life with a passion for learning and determination to be the best. The past 40 years have been characterized by a concerted effort on the part of the school to promote the welfare and progress of the school community in many spheres of socio-economic and community life.

We are a well-integrated, harmonious institution which produces high quality education. Our aim is to increase our output of quality teaching and learning, increase our output of quality research and address community needs through outreach projects. Allandale Primary School provides the inspiration, encouragement and support required by our learners to persevere, to give of their best, to be tolerant towards others and to become worthy members of society. The school will continue to act as a channel to transmit to them skills, techniques, knowledge and wisdom in order to equip them adequately to function in this changing world.

Mr S. Dorasamy
PRINCIPAL

The future that faces all South Africans is challenging and exciting. It is our belief that Allandale Primary School will draw on its proud traditions to meet these challenges and to equip all those associated with the school with the desired insights, skills and attitudes. The school can only go from strength to strength in the fulfillment of its aspirations and progressive programmes, and more particularly, in the maintenance of the high principles that it is known to espouse.

The school places great emphasis on the necessity for young learners to participate in sports for fun, enjoyment and sportsmanship. Allandale Primary School has endeavored to take part in all codes of sports offered by our controlling sport's body for primary school sports in the region. We believe that sport is the universal line of communication linking young children with one another. It speaks to them in terms which transcends the boundaries of any one group. The times in which we live calls for the strengthening of every bond of unity while we respect our differences. Sport is but another expression of the eternal effort of children to enrich themselves and their world.

Allandale Primary School has always focused on the holistic development of its learners. To this end, we are confronted with our own difficulties and limitations. Our learners come from various communities within the city.

As a school we envisage, with the community, to:

Build two additional classrooms as all the specialist rooms and the library are being utilized as classrooms;

- Upgrade the Library Resource Centre;
- Install smart boards in all the classrooms, currently we have smart boards in 8 classrooms;
- Introduce e-learning among the learners of the school.
- Build a guard house and
- Erect a multi-faceted sports facility.

Thank you to all our past learners who fly the Allandale flag with pride. Thank you for being our true ambassadors wherever you are. We remember your contributions and achievements with pride. We will always endeavor to strengthen and uplift the quality of teaching and learning at our school. May happiness, good health and good fortune be yours always.

As the "School of Choice", the Allandale Family will grow from strength to strength and continue to forge strong partnerships with our parents, ex-students and the community who have played a leading role in our success.

Chairperson of the SGB

It is my great pleasure to welcome our special debutantes, members of the school governing body, principal, members of management, parents, staff, sponsors and guests to the Allandale Primary School 40th Anniversary Debutantes' Ball, presented under the beautiful theme of "Winter Wonderland."

This year's Ball is particularly significant because Allandale Primary School celebrated its 40th anniversary on 22 July 2026. For four decades, the school has educated and supported generations of learners while remaining an important part of the surrounding community. This evening allows us to celebrate that proud history while also contributing towards the future development of the school.

On a personal level, this occasion is especially meaningful to me as both Chairperson of the School Governing Body and a parent. My two daughters, Kivania, who is in Grade R, and Ruhie, who is in Grade 3, are participating in the Ball. Watching them share this experience during the school's 40th anniversary year has made the occasion particularly special for my family.
The journey to this evening began in February and required months of planning, fundraising and rehearsals. Our debutantes demonstrated admirable commitment by attending practices throughout the school term and even sacrificing part of their school holidays to prepare for their dances. Their discipline, enthusiasm and teamwork will be reflected in the performances we enjoy this evening.

Professor Naven Chetty
CHAIRPERSON OF THE SCHOOL GOVERNING BODY

The funds raised through the Debutantes' Ball will contribute towards the construction of the school's new multipurpose hall. This much-needed facility will provide a suitable space for assemblies, sporting and cultural activities, prize-givings, examinations, parent meetings and other important school events.
We are pleased that the school plans to break ground on this important project in November. It is fitting that, during the year in which Allandale Primary School celebrated its 40th anniversary, we are also taking a significant step towards creating a facility that will serve present and future generations of learners.

I extend my sincere appreciation to the members of the School Governing Body for their hard work in ensuring governance of the school and in particular for their support of this building project. Their continued commitment to the development of the school is truly appreciated.
To the parents and guardians of our Debutantes, thank you for supporting the children throughout this journey. Your assistance with transportation, fundraising, sponsorships, advertisements, tickets, outfits and rehearsals has made this occasion possible.
A special word of appreciation must be extended to the convenors of the Debutantes' Ball, Mr Ramkilowan and Mrs Ramphal. Organising an event of this scale requires months of careful planning, coordination and dedication. We sincerely thank them for leading the preparations and ensuring that this milestone celebration became a reality.

I also wish to extend our heartfelt gratitude to Mr Magubane and Ms Perumal, who sacrificed part of their school holidays to teach the learners their dances and prepare them for this special evening. Their patience, commitment and willingness to give so generously of their personal time are deeply appreciated. The confidence and excitement displayed by the children tonight are a reflection of the effort and encouragement they received during the many months of rehearsals.
Our appreciation is also extended to the principal, management team, teachers and support staff. Many of our teachers contributed additional time and effort, beyond their normal responsibilities, to assist with the rehearsals, fundraising, organisation and preparation for the Ball. Their continued dedication to the learners and the school is sincerely valued.

To our sponsors, businesses, families, friends and community supporters, thank you for your generosity. Every sponsorship, advertisement, donation and ticket purchased has brought the school closer to realising the vision of the multipurpose hall.
To our debutantes, this is your evening. You have worked hard since February, and you should be proud of what you have achieved. Enjoy the dancing, excitement and experience of being part of this historic anniversary celebration.

May our Winter Wonderland be remembered not only as a beautiful and enjoyable evening, but also as an event that contributed meaningfully towards the future of Allandale Primary School.
On behalf of the School Governing Body, I congratulate all our debutantes and thank everyone who helped to make this special evening possible.

Commendation Message by the Circuit Manager

It gives me great pleasure to extend my sincere commendation to the Principal, the School Governing Body, educators, parents, and the entire school community of Allandale Primary School for the commendable initiative of organising a Debutantes Ball as a fundraising event to supplement the financial allocation provided by the Department of Education.

In the current educational landscape, where schools are called upon to meet increasing demands with limited resources, this initiative demonstrates exemplary leadership, sound governance, and a proactive commitment to ensuring that the school continues to provide a conducive environment for quality teaching and learning.

The success of this undertaking reflects the vision of a progressive school supported by a progressive and forward-thinking School Governing Body that recognises the importance of innovation, community participation, and responsible financial stewardship. By mobilising the support of parents, stakeholders, and the broader community, you have demonstrated that sustainable school development is best achieved through collaboration and shared responsibility.

Your efforts are a testament to effective governance and strategic leadership, serving as an excellent example of how schools can responsibly supplement government funding while remaining focused on their core mandate of delivering quality education.

I trust that this initiative will not only contribute meaningfully to the school's development priorities but will also inspire other schools to embrace innovative and sustainable approaches to resource mobilisation in support of learner achievement and institutional excellence.

Please accept my heartfelt congratulations on this outstanding initiative. I wish you every success with the Debutantes Ball and every future endeavour aimed at advancing the interests of the school and its learners.

Yours faithfully,

Circuit Manager -Swayimana Umgungundlovu District

Mr T. Naidoo
Circuit Manager

40 YEARS ANNIVERSARY

DEBUTANTES' BALL 2026

Message from Former Principal (2017-2023)

It is indeed a privilege and an honour to submit a message to Allandale Primary School on the joyous occasion of its 40th Anniversary and Debs Ball celebrations. Over the past four decades Allandale Primary School has remained resolute in its commitment to academic excellence, strong values, discipline, and the holistic development of its learners. In retirement, I echo the sentiments of generations of learners, educators, parents, and friends in celebrating four decades of excellence, achievement, and dedicated service to education. My pride in this institution remains steadfast.

The closure of Baijoo & Maharaj State-Aided Primary in June 1986 resulted in the en bloc transfer of staff and learners to brand-new premises at 64 Khan Rd on 22 July 1986. As one of the school's founding educators, and later having had the distinct honour of serving as its Principal, I have been privileged to witness a remarkable journey of the school's humble beginnings at 64 Khan Rd to the outstanding establishment it is today.

Watching the school flourish and reach greater heights under the leadership of its esteemed Principals - Mr P.S. Singh (late), Mr R. Harkhu, Mr A. Moodley, Mr V.R. Rajah (late), and now Mr S. Dorasamy, as well as during my own tenure - has been one of the greatest privileges of my professional life. It is particularly noteworthy that one of my fellow founding educators from 1986, Mrs O.D. Bhagwandhin, continues to serve the school, while others - Mrs I.L. Padayachee, Mr V. Panday, Mrs D.R. Pllay - and I have retired in recent years from this magnificient school.

Mrs S.D. Rangiah
FORMER PRINCIPAL
OF ALLANDALE PRIMARY
SCHOOL

The Allandale Family has built a proud legacy that continues to inspire confidence and hope for future generations. As we commemorate this significant milestone, we honour not only the school's rich history but also the countless individuals whose passion, sacrifice, and commitment have shaped its success. Allandale has produced generations of citizens who embody the values of integrity, respect and service within our communities and beyond. This is a legacy of which all past and present principals, staff, learners, parents and governors can be justifiably proud. May the values upon which Allandale Primary was founded continue to guide and inspire all who pass through its portals.

It gives me immense pleasure and profound pride to extend my warmest congratulations to every debutante participating in the Allandale Primary School Debs Ball, held as part of the school's landmark 40th Anniversary celebrations. It is heart-warming to witness another generation of learners embracing this cherished school tradition. I have always believed that the true measure of a school lies not only in academic excellence but also in the confidence, integrity, compassion and leadership displayed by its learners. This evening is a celebration of those very qualities.

To our debutantes, this evening belongs to you. You are the centrepiece of this magnificent celebration and a shining reflection of the hopes, values, and aspirations that the school has cultivated over the past forty years. Your presence celebrates your growth, character, confidence, and journey as the leaders of tomorrow. Make your debut this evening with pride, humility, and dignity. Stand tall, not simply because of your beautiful attire, but because of the values, discipline, and respect that you embody. Your dedication and hard work in preparing for this occasion have transformed it into a memory that will remain etched in your hearts and in the proud history of your school. You are ambassadors of Allandale Primary School. Carry yourselves with grace and humility, celebrate one another, cherish your friendships, and embrace every moment of this unforgettable experience. May this evening inspire you to dream boldly, pursue excellence in all that you do, and always remain proud of the foundation laid during your years at Allandale.

I convey my sincere congratulations and appreciation to the Debs Ball Organising Committee for their exceptional work in planning and coordinating this memorable event. Your vision, dedication, countless hours of preparation, and meticulous attention to detail have ensured that this celebration is a fitting tribute to the school's 40-year legacy of excellence while preserving one of its finest traditions.

To parents and families of debutantes, I extend my admiration. Your unwavering love, encouragement, sacrifices and support have made this evening possible. Behind every confident debutante stands a family whose guidance, values, and commitment have helped shape the remarkable young people we celebrate tonight. Thank you for entrusting the school with the privilege of sharing in your children's educational journey.

I also extend my sincere appreciation to the Principal, School Management Team, dedicated staff, and School Governing Body for your continued commitment to educational excellence and the holistic development of every learner. Through your collective leadership, the school continues to flourish as an institution that nurtures not only academic achievement but also character, leadership, and community spirit.

As Allandale Primary School proudly commemorates forty years of excellence, may this Debs Ball stand as one of the defining highlights of these celebrations - a beautiful reminder of the school's enduring legacy and the bright future represented by its learners. To every debutante, may this evening be filled with joy, laughter, treasured memories, and the confidence to embrace the future with courage and purpose. May you continue to honour your families, your school, and yourselves in all that you strive to achieve.

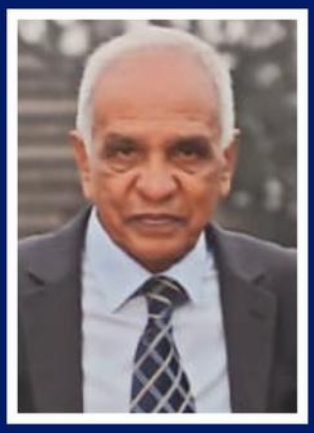

Congratulations to Mr S. Dorasamy, Professor N. Chetty, and Team Allandale, on this remarkable milestone. May the next forty years, and many more thereafter, be even more successful than the first. Keep shining!

"The measure of a great school isn't its age, but the hearts it leaves forever changed"

Message from Former Principal (1998-2002)

My sincere greetings and best wishes to the Principal, Staff, Learners and Members of the Governing Body on the occasion of your 40th Anniversary Debutantes Ball. I thank you for affording me the opportunity to send you a brief message on this special and auspicious occasion. My brief tenure as Principal of Allandale Primary was a very pleasant and rewarding one. I was fortunate to be at the helm of one of the most prestigious primary schools in the Northern Area of Pietermaritzburg, with a dedicated Staff and motivated Learners.

Mr A. Moodley
FORMER PRINCIPAL
OF ALLANDALE PRIMARY
SCHOOL

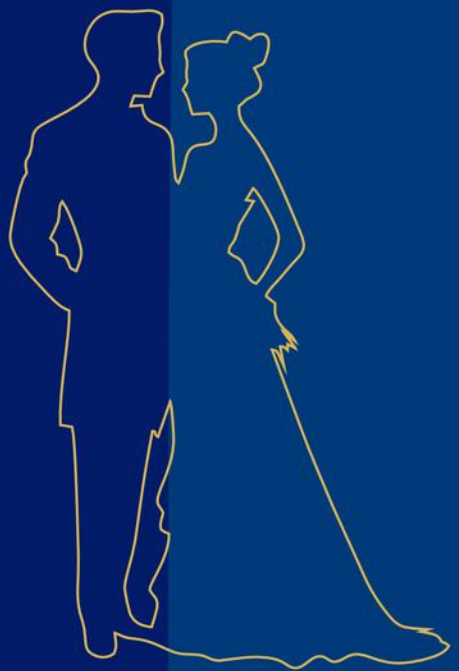

Whilst at Allandale Primary, I was able to achieve a deep sense of fulfillment and satisfaction. I was truly impressed with the parental support that the school received. As a result of parental involvement, learners displayed a great sense of responsibility and it was always a pleasure to teach them. The loyalty and dedication of the Educators during my stay is manifested in the excellent academic achievements of the learners at Allandale Primary.

Many of these learners excelled at their Secondary Schools and their Tertiary Institutions. I have very fond memories of Allandale Primary.

My message is one of hope and encouragement. Allandale Primary School's achievements over the past 40 years is well documented. The school has grown in leaps and bounds. I want to take this opportunity of congratulating all those who have contributed to the growth and development of this excellent institution.

Congratulations and best wishes for the future.

40 YEARS ANNIVERSARY

DEBS BALL CONVENORS

To our Debutantes/Escorts

Congratulations on being chosen as a Debutante! This is a remarkable achievement and a milestone that reflects your grace, confidence, commitment, and potential. Today, you begin a journey that is about far more than wearing the crown or taking part in a memorable evening. It is about embracing responsibility, building character, creating lifelong friendships and representing your family and school with pride and dignity.

As you prepare for this special occasion, remember that true beauty shines from kindness, courage, respect, and the way you treat others. Let this experience inspire you to dream bigger, work harder, and believe in the incredible person you are becoming.

As Elsa reminds us in Frozen, "Into the unknown!" Sometimes the greatest opportunities begin when we step outside our comfort zones. Embrace this journey with confidence and an open heart.Anna's words from Frozen, also remind us of the importance of perseverance: "Just do the next right thing." Every small step you take with integrity and determination will lead you toward success.

Finally, remember Olaf's simple but powerful reminder from Frozen: "Some people are worth melting for." Let this inspire you to show compassion, value meaningful friendships, and always lead with kindness.

May this Debutantes Ball be a celebration of your achievements, your dreams, and the bright future that lies ahead. Walk with confidence, carry yourself with grace, and never stop believing in your ability to make a positive difference in the world.

Congratulations once again on this well-deserved honour. May your Debutantes journey be filled with unforgettable memories, lasting friendships, and moments that you will treasure for years to come.

Mr V.Ramkilowan &
Mrs R.Ramphal
DEBS BALL CONVENORS

To our valued parents/guardians

Your generous sponsorship, unwavering support, and belief in our Debutantes Ball have made this special occasion possible. Thank you for investing in the dreams and growth of our learners and for partnering with us to create unforgettable memories. Your kindness, dedication, and commitment are deeply appreciated and will leave a lasting impact on every debutante. We are truly grateful for your continued support and wish you every blessing for your generosity. We will be forever grateful for your support shown for this fundraiser which will ultimately take our school to greater heights by recognizing the dreams we have.

To our dedicated staff and committee

We will be eternally grateful to the staff and committee for it was through your collaborative efforts that we were able to execute a function of this magnitude which is filled a kaleidoscope of great history, colour and talent. In conclusion we will forever be grateful by keeping to our motto “Victoria Per Laborem”.

DEBUTANTES BALL 2026

Kivania Mehika Chetty

Grade: RA | Age: 5

Kivania Mehika Chetty is a happy and energetic little learner who loves being part of the Allandale Primary School family. She especially enjoys class playtime, playing soccer, and taking part in the school's exciting sports events.

Favourite Food and Colour

Her favourite meal is a McDonald's Chicken Burger Happy Meal, and her favourite colour is baby blue.

My Favourite Teacher

Her favourite educator is Ms P. Bhola.

My Dream is to be

When she grows up, Kivania dreams of becoming a heart doctor.

My Inspiration

She is inspired by her mum, and her favourite heroine is Ladybug from Miraculous. She is allergic to spiders and bees, so they are the animals she fears most.

We are proud to celebrate Kivania and wish her every success as she continues to learn, grow, and follow her dreams.

ALLANDALE PRIMARY SCHOOL

40 YEARS ANNIVERSARY

DEBUTANTES BALL 2026

Tatiana Jaimee Devdath

Grade: 1C | Age: 6

Tatiana Jaimee Devdath is a happy and enthusiastic learner who loves being part of the Allandale Primary School family. She enjoys painting, learning new things, and having fun with her friends every day.

Favourite Food and Colour

Her favourite meal is chicken curry and rice, and her favourite colour is blue.

My Favourite Teacher

Her favourite educator is Mrs Y. Seeth.

My Dream is to be

When she grows up, Tatiana dreams of becoming a nurse.

My Inspiration

She is inspired by her mum and dad, who are also her greatest heroes. Although brave, she admits that she is afraid of crocodiles.

We are proud to celebrate Tatiana and wish her every success as she continues to learn, grow, and follow her dreams.

40 YEARS ANNIVERSARY

ALLANDALE PRIMARY SCHOOL

DEBUTANTES BALL 2026

Yashiq Sewlal

Grade: 2A | Age: 7

Yashiq is a cheerful and enthusiastic learner who loves being part of the diverse and vibrant Allandale Primary School family. He enjoys that there is always something exciting happening, making every school day fun and something to look forward to.

Favourite Food and Colour

His favourite meal is chicken curry and rice, and his favourite colour is blue.

My Favourite Teacher

Yashiq's favourite educators are Mrs N. N. Lukhna and Mrs R. Ramphal.

My Dream is to be

When he grows up, Yashiq dreams of becoming an artisan, following in the footsteps of his dad by doing home improvements.

My Inspiration

His greatest inspiration is his father, Vishal Sewlal, whose hard work and dedication he admires.

My Superhero

His favourite superhero is Superman, and although he is brave, he admits that he is afraid of insects.

We are proud to celebrate Yashiq and wish him every success as he continues to dream big and build a bright future.

ALLANDALE PRIMARY SCHOOL

40 YEARS ANNIVERSARY

DEBUTANTES BALL 2026

Malachi Joel Narine

Grade: 2B | Age: 7

Malachi Joel Narine is a happy and energetic learner who enjoys being part of the Allandale Primary School family. He loves that the school is a fun place where everyone is caring and loving towards him.

Favourite Food and Colour

His favourite meal is McDonald's, and his favourite colours are blue and red.

My Superhero

His favourite heroes are Wolverine and The Hulk, and he proudly says that he isn't afraid of any animals.

My Favourite Teacher

His favourite educator is Miss S. Singh, who is also the person who inspires him every day.

We are proud to celebrate Malachi and wish him every success as he continues to dream big and reach for his goals.

My Dream is to be

When he grows up, Malachi dreams of becoming an engineer.

40 YEARS ANNIVERSARY

ALLANDALE PRIMARY SCHOOL

DEBUTANTES BALL 2026

Zoë Reign Soobramoney

Grade: 3C | Age: 8

Zoë Reign Soobramoney is a kind, cheerful, and very athletic learner who enjoys being part of the Allandale Primary School family. She loves learning new things, spending time with her friends, and embracing every opportunity to grow both in and out of the classroom.

Favourite Food and Colour

Her favourite food is prawns, and her favourite colour is blue.

My Favourite Teacher

Her favourite educator is Miss S. Singh.

My Dream is to be

When she grows up, Zoë dreams of becoming a policewoman.

My Inspiration

She is inspired by her mum, who is also her greatest heroine. Although she is brave, she admits that she is afraid of tigers.

We are proud to celebrate Zoë and wish her every success as she continues to grow, learn, and pursue her dreams with confidence and determination.

We are proud to celebrate Ayden and wish him every success as he continues to work hard and build a bright future.

My Dream is to be

When he grows up, Ayden dreams of becoming an architect.

ALLANDALE PRIMARY SCHOOL

40 YEARS ANNIVERSARY

Allandale Primary School Celebrates 40 Years of Educational Excellence and Community Service

Allandale Primary School proudly celebrated its 40th Anniversary on Wednesday, 22 July 2026, commemorating four decades of educational excellence, dedicated service and unwavering commitment to the community. The occasion was especially significant as it took place on the exact date the school first opened its doors on 22 July 1986.

The milestone was marked with two memorable celebrations – a vibrant morning programme held at the school with learners and invited guests, followed by an elegant commemorative afternoon function at the KZN Function Venue on Allandale Drive, where past and present members of the Allandale family gathered to honour the school's remarkable journey.

A particularly poignant moment during the celebration was the ceremonial lighting of the candles on the birthday cake by past Principals Mr A. Moodley and Mrs S.D. Rangiah, former educators, Mrs I. L. Padayachee, Mr Y. L. Padayachee, and Mr V. Panday and current educator Mrs O. D. Bhagwandhin, together with the School Principal, Mr Sashen Dorasamy, and School Governing Body Chairperson, Professor Naven Chetty. The occasion held special significance as the honoured educators, including Mrs S.D. Rangiah, were among the pioneering staff members who were transferred from Baijoo and Maharaj State Aided Primary School and were present on the very first day that Allandale Primary School opened its doors on 22 July 1986. Their participation served as a touching tribute to the school's beginnings and the dedicated educators who laid its strong foundation.

Adding a unique and heartfelt touch to the programme was an enlightening speech by Aurelius Erradu, a Grade 5 learner, who presented "A Learner's Perspective." His thoughtful reflections on what Allandale Primary School means to its learners captured the pride, gratitude and sense of belonging experienced by the current generation, earning warm applause from the audience.

Learners were treated to party packs and enjoyed a colourful clown show presented by Big Top Entertainment, an engaging and thought-provoking sketch by the Helen O'Grady Drama Academy, and a vibrant dance performance by the Kantharuby School of Dance. Together, these performances created an atmosphere of joy and celebration, making the milestone a memorable occasion for everyone present.

The celebrations continued into the afternoon with an elegant and beautifully choreographed function held at the KZN Function Venue. The function brought together past principals and SMT members, neighbouring school principals, past SGB Chairpersons, staff and School Governing Body members, alumni, and invited guests in celebration of the school's rich history and the many individuals who have contributed to its success since its establishment forty years ago.

The programme featured heartfelt reflections on the school's remarkable journey over the past forty years and celebrated the enduring legacy of an institution that has positively influenced generations of learners.
In his address, the School Principal Mr Sashen Dorasamy reaffirmed the school's vision of strengthening its partnership with the wider community. He outlined plans to develop a sports centre that will benefit both learners and residents of the surrounding community, while expressing sincere appreciation to educators, parents, governing body members, alumni, and all stakeholders whose dedication has enabled Allandale Primary School to flourish over the past four decades. Mr Dorasamy reflected on the school's legacy and the importance of community in education.

The Chairperson of the School Governing Body, Professor Naven Chetty, reflected on the progress currently being made at the school and reaffirmed the Governing Body's commitment to ensuring that Allandale Primary continues to grow and provide quality education for future generations. He stated that the work on the sports centre will begin in November this year. He said, “As we mark 40 years, our focus remains on progress. The work currently underway is aimed at strengthening infrastructure and partnerships so that Allandale Primary continues to serve learners and the community with excellence.”

Former Principal Mrs Sharon D. Rangiah (2017-2023) spoke warmly about the school's proud heritage, describing Allandale Primary as an institution committed to the holistic development of every learner. She reflected on the school's origins following the closure of Baijoo and Maharaj State Aided Primary School, recalling the historic transition to the newly constructed Allandale Primary School on 22 July 1986—a significant milestone marked exactly forty years later.

Continued...

To those treasured colleagues who have since passed on, Mrs Rangiah honoured their memory with gratitude and respect. She said, "Their hard work, sacrifice, and vision laid the strong foundation upon which four decades of excellence have been built. The 22 July was also a special day for the Allandale family as it was the birthday of the first Deputy Principal Mrs E. P. Janneker. Her untimely passing away in 1996 was a huge blow to the Allandale Family. The loss of our first Principal, Mr P. S. Singh and our fourth Principal Mr V.R. Rajah in 2016 also left a huge void in our hearts."

The programme featured heartfelt reflections on the school's remarkable journey over the past forty years and celebrated the enduring legacy of an institution that has positively influenced generations of learners.

He stated that the work on the sports centre will begin in November this year. He said, "As we mark 40 years, our focus remains on progress. The work currently underway is aimed at strengthening infrastructure and partnerships so that Allandale Primary continues to serve learners and the community with excellence."

Former Principal Mrs Sharon D. Rangiah (2017-2023) spoke warmly about the school's proud heritage, describing Allandale Primary as an institution committed to the holistic development of every learner. She reflected on the school's origins following the closure of Baijoo and Maharaj State Aided Primary School, recalling the historic transition to the newly constructed Allandale Primary School on 22 July 1986—a significant milestone marked exactly forty years later. To those treasured colleagues who have since passed on, Mrs Rangiah honoured their memory with gratitude and respect. She said, "Their hard work, sacrifice, and vision laid the strong foundation upon which four decades of excellence have been built. The 22 July was also a special day for the Allandale family as it was the birthday of the first Deputy Principal Mrs E. P. Janneker. Her untimely passing away in 1996 was a huge blow to the Allandale Family. The loss of our first Principal, Mr P. S. Singh and our fourth Principal Mr V.R. Rajah in 2016 also left a huge void in our hearts."

Former Principal Mr A. Moodley (Lovey) (1998-2002) shared memories of his tenure at the school, where he served with distinction before his promotion to Heather Secondary School. "My three and a half years at Allandale Primary School were formative. It was a privilege to lead a school so committed to discipline, learning, and community. I am proud of what it has become", said Mr Moodley.

Respected community leader and activist Mr Babu Baijoo paid tribute to the vision and sacrifices of pioneering education leaders, including T. Baijoo, K. P. Maharaj, and E. Maney, acknowledging their invaluable contribution to the advancement of education and community development in the area. Mr Baijoo stated that Allandale Primary stood as a testament to community determination. He commented, "From the closing of Baijoo and Maharaj Primary School to the building of this institution, it has always been the people who made education possible. May the next 40 years serve even more children with pride and purpose."

Dr. Joey Krishnan, the first democratically elected Chairperson of the School Governing Body under the new governance dispensation in 1997, praised the dedication and professionalism of educators, both past and present. Drawing on her personal experience as the parent of children who attended the school, she highlighted Allandale Primary's enduring role in shaping young lives, nurturing strong values, and developing future leaders. She stated that the school's name was synonymous with renewal, embracing diversity and equality as guiding principles. "Allandale Primary has continued to evolve in sync with a new transforming South Africa. Through periods of growth and change, the school has remained steadfast in its mission to educate, empower, and inspire. Generations of learners have passed through its gates, carrying forward the same determination and pride that characterises its early years", said Dr Krishnan.

Former School Governing Body Chairperson Pastor Trevor Saul reflected on his years of service, during which he served as Treasurer before leading the Governing Body as Chairperson. He spoke of the importance of teamwork, sound governance, and community support in sustaining the school's continued success. "Serving first as Treasurer for two years and then as Chairperson, his nine years of service was really an honour. The dedication of parents, staff, and the community during that time laid a strong foundation for the school we celebrate today", said Pastor Saul.

Continued...

A particularly moving highlight of the celebration was the recognition of the school's founding educators, past Principals and SGB Chairpersons and current educators with long service whose vision and commitment laid the foundation for the institution's proud legacy. Honoured for their long service were current staff members Mrs V. Naidoo and Mrs A. Ramanundh together with founding educators Mrs O. D. Bhagwandhin, Mr Y. L. Padayachee, Mrs I. L. Padayachee, Mr V. Panday and Mrs S. D. Rangiah.

The school also acknowledged the exceptional leadership and dedicated service of former School Governing Body Chairpersons and their dedicated members recognising their significant contribution to the school's continued development and success.

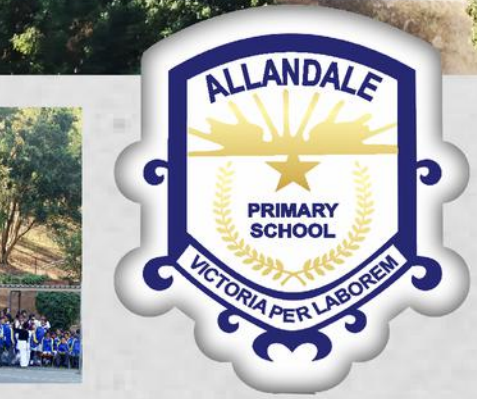

As the celebrations drew to a close, there was a shared sense of pride and gratitude for the school's remarkable journey over the past forty years. Staff, parents, learners, alumni, and members of the wider community reaffirmed their collective commitment to preserving the values of excellence, integrity, service, and compassion that have defined Allandale Primary School since its inception.

The 40th Anniversary celebration was not only a tribute to the school's proud past but also an inspiring affirmation of its vision for the future, as Allandale Primary School continues to build on its legacy of educational excellence and dedicated service to the community.

You are beautiful and blessed. Always believe in yourself. Put your trust in God and all your dreams will come true.

It's been wonderful watching you grow into the beautiful young lady you are. We are so proud of you and want to congratulate you on your success thus far. Keep following your dreams, striving for the best, and live your life to the fullest each day. May God bless you and guide you through your journey. We love you and our prayers are with you.

Love you always,
Sharon, Manitha, Brenda & Pam

From Advocate Pushpa Naidoo and family.

Congratulations
Kivania for your first
debs ball
From Prof Rubby Dhunpath

To our beautiful daughter, Kivania,
Happy Debutante Ball!
Watching you grow into the graceful, kind,
and brilliant young woman
you are today has been the greatest joy of our lives.
You look absolutely breathtaking tonight.
Go out there, shine bright on that stage,
and remember
that we are always here,
loving you and cheering you on.
All our love,
Mom & Dad

Congratulations Kivania
on your Debutante Ball!
Tonight, we celebrate
your wonderful achievement
and carry the
loving memory of Logie Ma and Sanusha
in our hearts.
They are smiling down on you today and always.

MALACHI JOEL NARINE

Always reach beyond the sky, moon and stars, but keep JESUS at the centre!

IN LOVING MEMORY OF OUR DEAR DAD

Chester Poonsamy

Gone but not forgotten ~ 31.01.2026 ~

My beautiful daughter,

If I could **share this special moment with you**, I would be right there beside you—straightening your dress, holding your hand, and telling you how **absolutely stunning** you look.

Even though I can't be there in the way we both would have wanted, please know... **I am with you.** In every step you take, in every smile you share, and in every beat of your heart.

I am **so proud of you**, more than words could ever say. Keep shining, keep dreaming, and keep becoming the **incredible young lady** I always knew you would be.

Love Dad

All the Best Jadine Poonsamy
